1.6. Board Policies

Last modified: Apr 04, 2019

1.6.1. Creation

The creation of the universe, the earth, and mankind, is one of the mighty acts of God. At Cincinnati Hills Christian Academy we believe that every word of the autographs (originals) of Scripture are without error in

any way, and that valid and reasonable interpretations of relevant Scripture passages can argue either for a very ancient creation or a more recent one.

In the Christian community there is a legitimate diversity of thought as to the time and process by which creation occurred. We respect serious Bible scholars with varying points of view, as long as those scholars:

1. Hold to an absolute belief in God's creation of the universe, the earth, and mankind;
2. Hold to reasonable explanations for their convictions;
3. Have convictions based on belief in the inerrancy of Scripture.

During the course of a student's experience at CHCA, the student will become acquainted with an array of viewpoints on creation on an age-appropriate basis.

1.6.2. Controversial Issues

Instruction, information, discussion, and materials which pertain to those issues of such nature that they are the center of legitimate discussion within this (CHCA) Christian community will be presented, or responded to, by teachers and administrators within the following guidelines: (1) with an educative intent; (2) with as much objectivity as possible; (3) on an age-appropriate basis.

"With educative intent" implies that the purpose of the presentation of controversial material is to inform and educate, not to proselyte to a specific view. Obviously, the sharing of diverse views held sacred within the Christian community is to be done "with as much objectivity as possible" in order to protect educative intent and to protect the school from denominationalism. The following are age-appropriate guidelines:

Gr K-6: A response based upon literal biblical statements will be given to questions which students raise in these grades. Nothing should be implied beyond what the scripture states. Specific curricular-based material will not be developed to address the controversial aspect(s) of an issue. The focus during these grades is upon the characteristic "concrete" thinking of the children; therefore, teachers will respond "concretely" to specific questions.

Gr 7-8: The curriculum will begin to address the controversial aspects of age-appropriate issues. Questions which may be generated by class discussion should be answered from a current and yet still traditional theological perspective with appropriate explanation (following the above-mentioned guidelines) regarding the diversity of thought within the Christian community.

Gr 9-12: The curriculum will include a discussion of the diversity of views, within the Christian community, on controversial issues. Because students at this age tend to be able to deal with abstraction, questions and discussions will allow for a full discussion of the controversial aspects of issues, keeping in mind the guidelines this document puts in place.

Questions regarding controversial issues will certainly arise. It is always appropriate to refer the student to his/her parents and pastor for further discussion of the issue.

1.6.3. Diversity within CHCA Community

Diversity among CHCA constituents was a central concept the founding Board of Trustees set forth. As a philosophic cornerstone, diversity is to be expressed through several significant characteristics of our school families including socio-economic standing, church membership and denominations within the Christian community, ethnicity, student academic ability, and the spiritual development and spiritual maturity of the students.

Last modified: Apr 04, 2019

1.6.4. Non-Discrimination Policy

Cincinnati Hills Christian Academy admits students of any race, color, national and ethnic origin, and guarantees all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in the administration of its educational policies, admission policies, scholarship programs, tuition assistance, and athletic and other school-administered programs.

Last modified: Jul 06, 2018

1.6.5. Parent Involvement within CHCA Community

CHCA operates under the supervision of a Board of Trustees (BoT), whose membership is primarily comprised of parent members of the school association, and elected by the association membership. The educational program of the school is directed by an administration comprised of professional educators; the administration is responsible to the Board of Trustees.

In addition to its supervisory function with respect to all CHCA activities, the administration provides information to, and serves as a primary means of communication with CHCA parents.

Involvement Opportunities:

- Parent Teacher Fellowship
- Volunteers
- Paid aides working under the direct supervision of the classroom teacher and the administration

Involvement Guidelines:

- **School Authority.** Despite their personal and unique perspectives, CHCA parents must ultimately recognize their accountability to procedures established by the Board and the Administration.
- **Respecting Classroom Flow.** Parents who exercise their privilege to be part of CHCA must avoid

disruption of the educational process.

- **Respecting Boundaries.** While parent views are important and influential upon school policies, it is vital that these views be expressed and carried out appropriately, through constitutionally mandated procedures and, most often, through the established committee structure.
- **Confidentiality.** From time to time, parents may become aware of personal information related to the school, staff, students or other parents. Please keep all information of a personal nature confidential.
- **Respecting Participation Requests.** From time to time, the school administration will ask volunteers to follow guidelines or perform duties as a condition of their involvement (i.e. sign forms, submit to finger printing, sign disclosures, etc.).

2. CHCA Wide Guidelines

Last modified: Jul 31, 2018

2.1. Communication

General Communication Guidelines

Addressing School Questions and Concerns:

Generally, concerns or questions regarding school issues should be addressed at the most appropriate level with those directly involved in the action or related to the concern. Face-to-face meetings are recommended to resolve matters of controversy. If the event is related to something in the classroom, parents should schedule an appointment with the teacher and avoid disrupting the educational process during the school day. If questions remain after meeting or if there is an unsatisfactory resolution to the issue, the parent should schedule a meeting with the Principal. Should the issue continue unresolved, the parent is encouraged to contact the Head of School's office to discuss the matter. At each level, all people directly involved with the matter will be invited to attend each meeting.

Advertising Non-School Sponsored Activities

Advertising events that are not CHCA sponsored events must be approved by the Principal or their designee. eNewsletters, school bulletin boards and take-home folders are reserved for school matters only.

Changes at Home Affecting Child's Behavior at School

Parents are urged to let the school know about things at home that may affect a child's behavior at school so adjustments can be made.

Communicating with the Teacher

- Notifying a teacher via email or the school building office is the best way to communicate rather than having a student responsible for giving a written note to the teacher. (Teachers are asked to respond to email within 24 hours if possible – weekends, holidays, and summer break not included.)
- Teachers do not always have time during the school day to access email so if there is an emergency or a concern, calling the school office to leave a message is most effective.
- Meetings with teachers must be scheduled in advance. Drop-in attempts to meet with a teacher, just before or after school, may seem like a good idea, but these are actually times when teachers do a lot of their set-up and class preparation.

Keeping it Private

Parents should refrain from speaking with other parents about a teacher, an administrator, other parents or students. Often these issues are addressed as "prayer requests", but would be more appropriately kept

confidential. Unresolved issues should be discussed only with those involved.

Representing CHCA

Parents and students should remember that when they are publicly representing the school, behavior is a reflection on the entire CHCA community. Actions and speech are a testament to CHCA and the Lord. This is particularly necessary at sporting events, when wearing CHCA clothing, or when driving vehicles with CHCA decals or identification.

Communication Tools

Annual Publications

Eagles' Eye Magazine is an annual publication created to share stories, impact, engagement, and accomplishments from our CHCA current and alumni community. It is typically delivered to CHCA families' homes by the fall. CHCA's Annual Report is typically distributed to all families and key stakeholders in December, though it is sometimes created in conjunction with the Eagle's Eye Magazine.

The [Publications webpage](#) puts these documents at your fingertips.

Association Business Meeting with the CHCA Board

There are two meetings for parents with the Board – one each semester. Please make time to attend these meetings; specific dates are on the website calendar.

Campus Connections (PK-Gr 6)

This eNewsletter is a targeted, weekly read on important building specific announcements and events, as well as CHCA-wide events. It will be delivered via email and as filterable announcements within the myCHCA App. The school assumes that parents read the information and considers communication accomplished once it is sent.

Eagle Newsletter (Gr 7-12)

This eNewsletter is a targeted, biweekly read on important building specific announcements and events, as well as CHCA-wide events. It will be delivered via email. The school assumes that parents read the information and considers communication accomplished once it is sent.

Canvas (Gr 4-12)

Canvas is CHCA's Learning Management System (LMS), an online tool to provide parents, students, and teachers a secure environment to interact with students' academic information. It is linked from the myCHCA webpages. Canvas class pages include course calendars, assignments, syllabuses and available handouts, as well as a running view of grades and feedback. While end-of-quarter report

cards are available in Veracross, Canvas is the central source of academic information, regular grade updates, and daily student progress. Canvas course pages are accessible on your mobile device via the Canvas app. Grade K-3 report cards will be posted each quarter in Veracross.

CHCA Website (www.chca-oh.org) and myCHCA Apps

www.chca-oh.org and the myCHCA apps draw content from a single source. They are the best venue for timely school information and privacy controls restrict sensitive information only to authorized users. Parents complete the majority of school business (e.g. checking grades, making payments or registrations, completing forms, etc.) via links from the myCHCA webpages or the More section of the App.

Email

Email is an important means of communication with parents.

Phone Messaging System

Families will be called, emailed and/or receive a text via SchoolMessenger, a phone messaging system for school closings, emergencies, reminders and notice of important upcoming events.

✿ Update personal information (including cell phone, email, home address, authorized release, etc.) through your Veracross Parent Portal to ensure continued delivery of these valuable resources.

2.2. Medical Information

Last modified: Jun 14, 2022

2.2.1. Authorization for Emergency Response

Ohio Revised Code 3313.712 mandates that **Emergency Medical Authorization** be collected by schools annually and in cases of emergency, may present this form to EMS, a healthcare provider or hospital rendering treatment. Students may be excluded from class after the first day of school should the **Emergency Medical Authorization** not be completed and on file with the Building Nurse.

Parents/Guardians of enrolled students must complete the **Emergency Medical Authorization** found in Magnus Health prior to the first day of school.

✿ Access Magnus Health by logging into your Veracross Account and clicking the gold Magnus Health (PK-12 Medical/Other Forms) Link.

The [Medical Forms webpage](#) has more information and Veracross links.

2.2.2. Determination When to Send Sick Child to School

Parents/Guardians should not send a student to school, an extra-curricular activity, or an athletic event when a student:

- Has a fever of at least 100 degrees. Should be fever-free for at least 24 hours without the use of any fever-reducing medication 24 hours before returning to school.
- Has thrown up (due to illness) or had three or more watery, loose diarrhea stools any time in the last 24 hours.
- Has an upper respiratory infection with uncontrolled nasal drainage, coughing, or sneezing that may infect others.
- Was sent home from school the previous day or the same day with a fever (100 degrees or higher).
- Has a significant rash that has not been diagnosed by a healthcare provider.
- Is complaining of substantial pain for a significant duration until a healthcare provider has examined the student.
- Is taking prescription-strength medication, which impairs their ability to stay awake/alert and safely navigate stairs and hallways.

If a student becomes ill during school hours, the building nurse will contact the parents. If the Building Nurse is unable to reach the parents, emergency contacts listed for your student in Veracross/Magnus Health will be contacted. Emergency contacts must be at least 18 years old and have a valid photo ID. Sick or injured students cannot be kept in the nursing clinic for **more than one hour**.

Last modified: Jun 28, 2023

2.2.3. First Aid

The teacher, office staff, administrator or building nurse may administer minor first aid. Parents/Guardians will be contacted for significant injuries and/or illness, and 911 will be called in case of an emergency.

Last modified: Jun 28, 2023

2.2.4. Illnesses Requiring Doctor's Note for Re-Entry

The building nurse may require a written statement from the healthcare provider for reentry into school

following an illness. Illnesses for which a note may be required include, but are not limited to:

- Bed bugs (*Cimex Lectularius*)
- Chicken Pox
- Conjunctivitis (pink eye)
- German Measles (Rubella)
- Impetigo
- Measles
- Meningitis
- Mumps
- Pinworms (*Enterobius Vermicularis*)
- Ringworm of scalp/body (*Tinea Capitis/Corporis*)
- Scabies
- Significant rashes
- Streptococcal Infections (strep throat/scarlet fever)
- Whooping Cough (Pertussis)

Head Lice (*Pediculosis Capitis*) – Students may be readmitted to school only if the student's hair has been treated with an approved lice shampoo and found by the school nurse to have no live lice or nits (lice eggs) attached to hair shafts within 1/4" of scalp. This treatment should be performed by the parents *before* seeing the Building Nurse for approval to return to school.

Last modified: Jun 28, 2023

2.2.5. Immunization Requirements

Ohio State Law 3313.671 requires that a record of the exact dates (month/day/year) of immunizations of each student be on file at the school. By law, a student may be excluded from school on the 15th day of the school year if the school has not received written proof of the required immunizations.

The State of Ohio Legal Immunization Exemptions apply to students who have an Immunization Waiver Form on file prior to the first day of the current academic year. Obtain this form from the building nurse. Unless submitting a waiver for religious or "good cause," a physician signature is required for medical exemptions. In the event of a communicable disease outbreak, your child may be excluded from school and not allowed to return until such a time that the building nurse, administrators, or in some cases Hamilton County Public Health, allows. There is no guarantee that faculty can provide the same educational experience as in the classroom during the missed time. Students excluded from school during an outbreak are also excluded from participating in any CHCA extracurricular activities or sporting events.

Last modified: Jun 28, 2023

2.2.6. Medication Administration

The administration of prescription medication to a student during school hours may be deemed necessary

by your healthcare provider. Ohio Revised Code 3313.713 states that no prescription medication can be dispensed by CHCA personnel without a consent form signed by parent/guardian and by a healthcare provider. A medication permission form should be completed prior to sending any medication to the school.

To request the assistance of school personnel to give medication:

1. Complete the appropriate **Medication Permission Form** for your student's grade – this can be found on Magnus Health.
 - The parent must sign to authorize the school personnel to administer the medication.
 - The healthcare provider must sign to authorize the medication.
 - The healthcare provider may return the form to the school via fax or email.
2. The parent should bring the medication in a Ziplock bag with the student's name marked clearly on the bag. All medications must be in their original container and the school clinic cannot give expired medication.
 - Prescriptions should be labeled with the student's name, name of the medication, the dosage, the route, the time to be given, and the healthcare provider's name.
 - Over-the-counter medications must be a new, unopened bottle and labeled with your student's name.

Students are not allowed to have medications (prescription or nonprescription) on their person, in their backpacks, cars or lockers or self-administer any medications. The exception is Upper School 7-12 students may carry and self-administer asthma inhalers and Epi-pens during the school day and may self-carry medications, if needed, when traveling with CHCA. An **Upper School 7-12 Self-Medication Agreement** signed by a healthcare provider, parent and student must be on file.

Access Magnus Health by logging into your Veracross Account and clicking the gold Magnus Health (PK-12 Medical/Other Forms) Link.

2.2.7. Severe Life Threatening Allergies

Food and other allergens can trigger severe reactions leading to potentially serious health consequences or anaphylaxis (Food Allergy & Anaphylaxis Network, 2019). Accidental exposure to allergens can happen anywhere, anytime, including the school environment. Because parents/guardians know a student's medical history better than anyone else, it is imperative that they work closely with their private healthcare provider to provide the school pertinent, timely information about a student's level of sensitivity and their type and severity of reactions (Ohio Revised Code 3313.719).

To foster the safest possible environment, it is the parent's responsibility to:

- Submit the **Emergency Medical Authorization** form, the **Medication Permission** form, the **Food**

Allergy and Anaphylaxis Emergency Plan (FARE) form, and the **Student Asthma Action Card** (if student has asthma) prior to the first day of school.

- Request a meeting with the building nurse to establish a plan of care prior to the first day of school.
- Deliver Epi-pens and Inhalers to the building nurse prior to the first day of school. For older students in Gr 7-12 who may plan to carry their own Epi-Pen, a second Epi-Pen should be provided to the building nurse per Ohio Revised Code 3313.718. It is strongly recommended a second Inhaler also be provided.
 - Per House Bill 296, enacted by the 2014 General Assembly, CHCA now stocks unlicensed Epinephrine in each building for emergency use during the regular school day while students are on campus. The availability of stock Epinephrine pens is not intended to replace a student's own prescription. The primary use of the unlicensed Epinephrine is to treat first time, previously undiagnosed anaphylaxis.
- Provide safe snacks for classroom breaks, field trips, class parties and any extra-curricular or athletic events.
- Communicate with all extra-curricular, after-school care, and coaching staff about your student's treatment plan.
- If Epinephrine is administered during the school day, 911 will be called along with parents so the student can be evaluated by a healthcare provider for any further medical treatment.

* Access Magnus Health by logging into your Veracross Account and clicking the gold Magnus Health (PK-12 Medical/Other Forms) Link.

2.2.8. Tuberculosis Policy

All students new to CHCA from outside the Continental USA and from a TB prone area should be tested prior to their first day of school at CHCA. Current students who spend 30 days or more in travel out of the country in TB prone areas need to be tested prior to returning to CHCA. Contact the building nurse if you are unsure if you need to test.

Last modified: Jun 28, 2023

2.2.9. COVID-19 Information

CHCA will continue to follow the guidelines set forth by the Ohio Department of Health and the Hamilton County Public Health Department regarding COVID- 19 protocols.

Last modified: Jun 28, 2023

2.3. Other Information

Last modified: Apr 04, 2019

2.3.1. After School/Weekend Event Attendance

If a student is attending a school event after school or on the weekend, they should be where that event is taking place. Students are not to wander throughout the buildings or campuses. Students may attend events at any CHCA building if under the supervision of a teacher, parent or school-appointed student/adult.

Last modified: Jun 12, 2019

2.3.2. Building Use

- For a **school-related** event or activity, reserve a school building and/or classroom through your student's school office.
- For **non-school related** school event or activity,
 - Usage of a school building for any non-related school events requires a Certificate of Insurance and payment of a usage fee charge.
 - *Athletic Facilities:* Visit the www.chcaeagles.com for more information
 - *All others:* request through the Buildings and Grounds Department (Wendell.Hensley@chca-oh.org)

Last modified: Jun 29, 2022

2.3.3. Campus Access

To maintain and ensure a peaceful and secure environment that promotes Christian values, learning and the safety and well-being of Cincinnati Hills Christian Academy students and faculty, the school's administration has the authority, within its sole discretion, to restrict campus access to any and all persons who the administration deems inappropriate for contact with students and/or staff.

Last modified: Apr 03, 2019

2.3.4. Confidentiality of Records/Transcripts

Student records and transcripts of student performance, conduct or attendance at CHCA will not be released to students, parents/guardians/families, or other academic institutions without the express consent of the parents or guardian or otherwise permitted by FERPA.

Students and parents will be allowed to review their own records and transcripts at any time, but a request for release of records and transcripts will be denied if there is a hold on the account.

- ✿ It is important that CHCA always has current information about students. Household updates, directory publication preferences, and access to health and medical forms will be accessed through your Veracross Parent Portal. If for some reason a name is changed, original documentation authorizing the change should also be provided.

Last modified: Jun 21, 2023

2.3.5. Emergency Drills

Emergency drills such as fire, tornado, shelter in place, and lockdown/active shooter are held annually according to state guidelines. All students, teachers, staff, parents, and visitors in the building at the time of the emergency drill are expected to participate.

If a tornado warning siren goes off at dismissal time, students will be sent to the designated tornado areas of the building and cannot leave the building, even if a parent has come to get them, until the warning has passed. At notice of the warning, if parents want to come into the building for safety, they may do so. Faculty and staff will remain with the students at all times during the duration of the warning. If the students are outside the building in mid-dismissal and a tornado warning siren goes off, all of the students who can be reached will be instructed to go back into the building to a secure area.

If students are on the CHCA athletic fields when a tornado warning siren goes off, they will be directed where to go to seek shelter by the CHCA coach and/or the Athletic Director as they are designated as the final authority in the evacuation of the athletic fields. Spectators are welcome to come in and find shelter, but all regular secure areas should be kept free for students from CHCA and the opposing teams.

Last modified: Jun 28, 2023

2.3.6. Expulsion Process

Expulsions are typically recommended by the Principal to the Head of School. The Head of School confers with the Principal regarding the details of the incident and ultimately decides to accept the recommendation, or deny the recommendation and provide an alternative response to the incident or behavior.

If the Head of School supports a Principal's recommendation for expulsion, the student and his/her legal guardian(s) may appeal that decision to the Head of School, either in writing or in person, to share the details of the incident from their perspective.

If the expulsion recommendation is accepted by the Head of School, the school may indicate the expulsion on the student's permanent record at its discretion.

Last modified: Jun 28, 2022

2.3.7. Extracurricular Behavior Expectations

Students choosing to participate in extracurricular activities act as de facto ambassadors of CHCA and an example of Christ-like behavior to the larger community. When a CHCA student participates in any extracurricular activity – academic, leadership, community service, fine arts, or athletics – it is expected that they behave in a manner consistent with the expectations of their behavior during the school day. This includes dress and behavior, positive attitude toward and affirmation of fellow competitors, scholars and performers, and a demonstration of leadership and positive Christian values.

If transportation to and from practices and events is provided by the school, student participants are required to ride in the school-provided transportation to the practice or event unless approved beforehand by the faculty or coach in charge and with written parental permission. If no school transportation is provided, it is strongly recommended that students do not drive teammates or other students in their personal vehicles at any time.

2.3.8. Family Contact Information

Accurate information regarding home address, email, telephone numbers, and the name and phone number of the person to be called in case of emergency help us keep your child safe and provide you with timely information.

✿ Household updates, directory publication preferences, and access to health and medical forms will be accessed through your Veracross Parent Portal. You can update this information at any time.

2.3.10. Gift Giving Guideline

There are times that students or families wish to give gifts to a faculty member or staff person. To avoid embarrassment or ethical concerns, please limit gifts to \$100 or less.

Last modified: Jun 27, 2019

2.3.11. Lost and Found

All school buildings maintain a lost and found area and parents and students should check them regularly. At the end of each quarter, all items remaining in the lost and found will be given to a charitable organization.

While other negative behaviors will continue to be corrected with appropriate discipline, not all such behavior shall be considered “bullying” unless it is consistent with this definition.

2.3.21. School Family Directory

A Family (aka Student and Household) Directory of those enrolled in the school is prepared exclusively for the use of CHCA parents, students and personnel and requires login so private information remains protected. It is not to be used for circulation or promoting a personal business, and should not be passed onto anyone not connected with the school. In addition, families within the school are not to be solicited for any reason other than those approved by the Board of Trustees.

Note: Occasionally families choose to be omitted from this online listing so lists may be incomplete. Contact your building Administrative Assistant with questions.

 View the directory in your [Veracross Parent Portal](#), accessible via the myCHCA Parent App or the website.

2.3.22. Solicitations

Parents and students are only permitted to sell things at school that are directly related to school-sponsored activities, and must obtain approval in advance from the CHCA Advancement Department. Solicitation in person or electronically associated with church projects, community projects, or personal business are not permitted.

2.3.23. Student Withdrawal Policy

The Enrollment and Re-Enrollment Contracts clearly state the family is assuming the responsibility for the entire year's tuition payment upon enrollment (or re-enrollment). The obligation becomes binding on June 15 for the following school year.

*Withdrawals made after enrolling/re-enrolling, but **prior to June 15*** for the following school year, forfeit the enrollment deposit or re-enrollment fee but are released from the obligation of the following school year's tuition payment. School records/transcripts are not released until any outstanding obligations are fulfilled.

*Withdrawals made **after June 15*** require the family to pay the tuition balance in full, with the exception of students enrolled in the Blake Lindner Thompson Early Childhood Learning Center, whose withdrawal terms are stated in the student's enrollment contract.

Notification of intent to withdraw should be in writing. To document date submitted, they should be:

- **Postmarked** or
- **Emailed to admissions@chca-oh.org** or
- **Letters delivered in person must be handed directly to an Admissions Office employee**

2.3.24. Substance Abuse

CHCA is committed to being a drug and alcohol free environment. Substance abuse will be dealt with in a serious and aggressive manner at the complete discretion of the school administration. Distribution of illegal or prescriptive drugs and/or alcohol on school property or at a school-related activity will result in a mandatory recommendation for expulsion.

2.3.26. Volunteers

- Parents are invited and encouraged to volunteer at the school and school-sponsored activities. Check with the activity organizer or your child's teacher regarding best dates and times.
- To maintain the safest environment for our students, CHCA requires ALL volunteers to be fingerprinted PRIOR to the first time volunteering. This includes classroom helpers, event and front desk volunteers, party helpers, coaching and theatre volunteers, field trip drivers (grades K-3), trip chaperones, and regular visitors to our buildings.

- It also includes Gr 9-12 students who will have contact with minor children while they volunteer in a CHCA sponsored camp or activity.
- The check is valid for 5 years.
- While most background checks clear within 14 days, it can take up to 30 days for a background check to successfully clear; therefore, being proactive well in advance of the starting date of work, a camp or volunteer event is necessary to ensure you get the results back timely.

Make your fingerprint appointment at the Welcome Center by emailing Judi.Davis@chca-oh.org at least 30 days before you intend to volunteer. This 5 minute process is valid for 5 years and is available from 8:15 a.m. to noon or 1:00 – 3:45 p.m. and requires: (1) Your driver's license or a form of identification if you don't have a driver's license, (2) A 2nd form of identification (passport, SS card, or birth certificate) and (3) Gr 9-12 minor volunteers should bring this completed [Parental Permission form](#).

3.3. Attendance, Late Arrival, Early Dismissal, and Extended Absence

CHCA values academic excellence, and prompt arrival at school is important for building strong habits that allow for a calm and consistent start of the school day. Numerous absences and tardies negatively impact student achievement because vital information and instruction is missed and is difficult to make up in the same way it was originally presented. This puts a student at an academic disadvantage. Arriving on time begins the day and sets the learning expectation for students and is essential for preparing for the day. Students should arrive at school in time to go to cubbies or lockers *before* class.

 Submit the online Report Student Absence form no later than 8:30 a.m. on the day your child will not be at school to help us ensure they are safe. This form is at your fingertips via the [myArmleder School](#) webpage, Parent App, and Veracross Parent Portal. There is no need to also call the school or email teachers; parent next steps are on the confirmation email.

Attendance:

Excessive unexcused absences are troublesome for a teacher to deliver the effective instruction that advances student achievement.

- The parent submits an online **Report Student Absence form**.

- ! At the **3rd unexcused absence** in a quarter, parents will be notified.
- At the **4th unexcused absence** in a quarter, parent/Principal conference is required.
- At **more than four days unexcused absence** in a quarter, a student is considered an attendance concern. If the Principal believes that attendance is not a priority for the family, continued absenteeism could result in asking the family to withdraw from CHCA at any time.

- If a student misses **16 days or more** in a school year, that student may not be asked to return to CHCA the following year depending on the absence circumstances. All decisions regarding continued enrollment as a result of school attendance is at the sole discretion of the Principal.
- Students are responsible to make up work that is missed during absences and will be given full credit if the absence is excused. Teachers allow students the same number of days absent to complete missed work (i.e. if a student is absent three days, they have three days to complete missed work.)
- Missed assignments will be sent home with a sibling or be available in the office for pick-up. Assignments will be ready after 2:45 p.m. the day of the request.
- Any student absent from school may not attend or participate in any CHCA sponsored after school events.

Late Arrival:

Late Arrival (a.k.a. tardiness) causes interruptions and distractions for *other students* that negatively impact the learning environment. *Tardy students* miss important information from the teacher's instruction, and ultimately academic achievement is hindered. Frequent tardiness is a concern and will be addressed with the student's parents. Chronic tardiness and/or absenteeism results in additional consequences.

- The parent submits an online **Report Student Absence form**.
- Late Arrival is tracked daily by quarter and falls into two categories:
 - Morning tardiness: Gr K-6 student not in the classroom when the bell rings at 7:50 a.m. The parent must escort your child to the front desk to sign them in, where the student will indicate their lunch choice and head directly to their designated classroom.
 - **5th tardy** – parents notified by email.
 - **6th tardy** – parents conference with the principal to determine a solution.
 - **7th tardy** – the Principal schedules a required Family Intervention on Saturday from 9:00 -11:00 a.m. The student and parent will fulfill a “mandatory work detail” as determined with the Principal.
 - **8th tardy** – parents attend meeting with the Principal to create an intervention plan.
 - **9th tardy** – student may be ineligible for re-enrollment.
 - Classroom tardiness: When a student is late arriving to class at any other time during the school day. This will be addressed and consequences given by the individual teacher.

See the “[Class Tardies Gr 4-6](#)” handbook section for further information.

Early Dismissal:

We encourage parents to schedule appointments after school hours. Students occasionally need to be released early from school for doctor's appointments and will be permitted to make up any missed class work in a timely manner as determined by the teacher. However, it is important to remember that missing class time can be detrimental to a student's academic progress as the experiential aspect of the learning process cannot be duplicated at home.

- The parent submits an online **Report Student Absence** form.
- The parent should sign out the student at the front desk.
- Students will be called to the lobby.
- If a student returns to school the same day after an early dismissal, the parent must escort their child to the front desk where they will sign them in then the child will proceed directly to their homeroom.

Extended Absence (3 or More Whole Days):

- Complete the online **Report Student Absence** form at least one week prior to the absence. *We require that more than three consecutive absences cannot be excused without completing this online form.*
- While family vacations are important, please schedule them during school breaks. No more than five school days are excused per school year for this reason.
- The teacher and Principal must approve the extended absence.
- Teachers will provide missed work the week prior to departure as is practical. Please be aware that your child may need to complete other missed assignments upon return to school.

3.4. Birthday Celebrations and Party Invitations

Birthday celebrations are encouraged at CHCA—we want students to know they are special!

On-Campus Parties:

- A parent must plan and organize the party with the teacher's permission.
- The teacher must approve the date, time, length, and activities.
- Parents work with teachers to determine healthy food choices considering any allergies.
- Latex balloons may not to be used or distributed during the party.

Off-Campus Parties:

- Invitations may only be distributed at school for off-campus socials or parties if the entire class or all of one gender are invited.
- Students going directly to a birthday party from school are required to have a written parent note. The

party host is responsible to collect the written notes and present them to the office 24 hours in advance. Student(s) without a note will not be permitted to go directly to the party.

3.5. Classroom Visitation

Parents are welcome to formally observe their child's class if:

- they have a current fingerprint check on file at CHCA.
- they communicate with the teacher in advance and have been notified of an appropriate time.

✿ Make your fingerprint appointment at the Welcome Center by emailing Judi.Davis@chca-oh.org at least 30 days before you intend to volunteer. This 5 minute process is valid for 5 years and is available from 8:15 a.m. to noon or 1:00 – 3:45 p.m. and requires: (1) Your driver's license or a form of identification if you don't have a driver's license, (2) A 2nd form of identification (passport, SS card, or birth certificate) and (3) Gr 9-12 minor volunteers should bring this completed [Parental Permission form](#).

3.6. Discipline

Last modified: Apr 23, 2019

3.6.1. Class Tardies Gr 4-6

The schedule for Gr 4-6 students is structured in academic time blocks that necessitate changing classes during the school day. To assure available optimum instructional time, it is imperative that students move in an expeditious manner between classes.

- Students are expected to be in the designated classroom *before* the class begins.
- Any teacher who detains a student will provide a pass to be given to the receiving teacher.
- The teaching team will use a synchronized system for recording and monitoring assigned tardy consequences.

Last modified: Aug 03, 2021

3.6.2. Due Process in Disciplinary Procedures

Each classroom teacher is expected to maintain appropriate behavior in the classroom context and distributes and discusses Classroom Behavior Guidelines at the beginning of the school year. Most behavior problems occur and are handled at the classroom level.

When serious behavior problems occur, or when a student does not respond to correction by the classroom teacher, the teacher of the student with the alleged misconduct notifies the Principal. The Principal may address the notification in one of several ways:

- **After-school** detention, work assignments, special projects, etc.
- **Conference** with the student's parents
- **Social Probation** —a student is prohibited from participation in activities such as athletic teams, school trips, music groups, etc.
- **Saturday Intervention** —a student and parent comes to school on Saturday and is supervised by the Principal while fulfilling a mandatory work detail.
- **Suspension** —a student is sent home for a specified period of time, and parents must meet with the Principal before the student returns.
- **Expulsion** —a student must leave school and may not re-enroll.

Last modified: Apr 23, 2019

3.6.3. Suspensions

This out of school measure of discipline is administered for offenses the School considers very serious. Students will be notified of the offense and given the opportunity to explain their actions. When a suspension becomes necessary, the parents are contacted by phone followed by a notice in writing.

Students who are removed from school for a period of time should realize they are one step away from expulsion. Parents are advised to supervise the student and use this time to help their student work through their problem.

- Reasons for assigning an out of school suspension include: repeated serious offenses, failure of a student to comply with disciplinary actions of the school, when a student's presence is deemed a threat to safety or major interruption to classroom instruction, and other violations of school policy which specifically list an out of school suspension as a consequence as referred to in [Student Behavior Rubric](#).
- Class work assigned or tests given on days a student is suspended is to be completed for full credit.
- Students may not participate in any extra-curricular activities on any days suspended.

3.7. Dismissal Procedures and Times

Your child's safety is our priority. These procedures prioritize child safety over driver convenience.

Activity Bus Dismissal:

- Activity Bus riders are dismissed as their bus arrives.
- When changes are made to a student's pick-up arrangements, the office must receive email or written notification **before noon**. Communication received after noon is less reliable and is not guaranteed.

Carpool Dismissal:

- Carpool riders are dismissed at **2:50 p.m.**
- For student safety, we request parents/guardians remain in their cars and pull up to the front of the building for loading.
- Please display the number assigned to your family as you pull up to the loading zone to facilitate the dismissal process. Extra copies of your family's number are available from the office.
- If your child is not outside, please circle the block to avoid blocking traffic.
- Students not picked up by **3:10 p.m.** are taken to the After-School program and charged a daily fee. Registration is required within 24 hours of attending.

Non-school provided electronic equipment is not permitted to be seen or heard upon entering the school.

- Electronic devices brought by students, including cell phones, must remain silent and out of sight in cubby or locker.
- Students who elect to bring them to school do so at their own risk. The school takes no responsibility for any loss or damage to the items, nor in investigating the circumstances regarding loss or damage.
- Any such equipment seen or heard during school/after school program will be kept at the office until returned to the student's parents.
- Toys (including stuffed animals, dolls, cards, and small cars) are only allowed at school if your child's teacher has specifically asked your child to bring them in or your child attends before or after care.
- Repeated violations will result in loss of privilege and/or other consequences consistent with behavioral guidelines.

3.13. Homework and Planners

Any work the teacher plans or approves the student to complete outside of the regular classroom, and without their immediate and direct supervision, is homework. Homework as a vital link between home and school and can serve to unite parent, child, and teacher in the educational process. Parents can support their children by providing a structured time and specific study space for homework completion.

Essentially, there are three types of homework assignments:

1. **Practice:** Following classroom explanation, illustration, and drill, practice exercises promote mastery of new material.
2. **Preparation:** Preparatory homework assignments usually relate to the reading of an assignment before it is discussed in class.
3. **Extension:** Extension assignments encourage the student to go beyond the work done in class. Frequently, projects and problem-solving assignments (with application of learned skills and research) are used as extension options. This is probably the most beneficial to students since it is the most

individualized.

Daily Homework Expectations:

- Gr 1-2 – 15 to 20 minutes
- Gr 3 – 30 to 45 minutes
- Gr 4-6 – 60 to 75 minutes

Silent reading and reviewing memory verses homework is in addition to these guidelines.

Planners:

- To establish a consistent procedure for students to record homework assignments, each Gr 3-6 student is given, and expected to use and reference, the school provided planner.
- In some cases, the teacher may initial the assignment as written by the student, and parents must initial the notebook indicating that the homework was reviewed.
- Students whose planners are lost or unusable must purchase a new planner through the office.

General Information

- Students may **purchase lunch** daily
 - *You must prepay online* for all lunch purchases. If you are unable to prepay online, you may

leave a cash payment with the front desk with student name and grade——no cash will be changing hands in the cafeteria at any time.

- Students must pre-order a lunch at the beginning of the day.
- Menus available at chca-oh.org/lunch or by request at the lobby front desk.
- Students may bring a **packed lunch** from home
 - At the start of the day, Gr K-3 students should place their packed lunches in the classroom basket that will be transported with the class to the cafeteria at each class's designated lunch time. Any student forgetting to place his/her lunch in the basket will be required to buy a lunch that day at their parent's expense. This rule is strictly enforced to prevent students from leaving the lunchroom unsupervised.
- All food and drink is to be consumed in the cafeteria.
- Soda Pop and sharing lunch items are not allowed.

On-Campus Lunch Visitors

We invite parents, grandparents, and siblings with adults to bring their lunch and join their students in the cafeteria. Please arrive shortly before the start of the child's lunch period and sign in at the front desk prior to meeting their students in the cafeteria. We ask visitors eating lunch at school to provide food only for their own family members.

3.19. Parent-Teacher Conferences

Formal student-led Parent-Teacher Conferences are *mandatory* at the end of the first quarter and available upon request at the end of second, third, and fourth quarters (refer to the school calendar). However, parents are encouraged to contact teachers to schedule time for discussion regarding any aspect of the child's school life as they deem necessary.

Quarter One Mandatory Student-Led Conferences are scheduled online – watch email/Campus Connection for instructions.

All Other Conferences/Meetings:

- Send a note or email the teacher with whom you would like to speak.
- Allow them time to determine the best time for a conference.
- Meetings with teachers must be scheduled in advance. Drop-in attempts to meet with a teacher, just before or after school, may seem like a good idea, but these are actually times when teachers do a lot of their set-up and class preparation.

3.21. Relational Conduct

Students are encouraged to develop healthy, Christ-centered relationships with members of the opposite sex. Parental guidance is fundamental in setting standards to build appropriate relationships. Male and female students should use discretion in all physical contact in accordance with the teachings of scripture. At school or social events, public displays of affection (such as hand holding and kissing) are not permitted.

The possession and/or sharing of any pornographic literature, media, imagery, or links is strictly forbidden and may lead to suspension or expulsion.

Bullying: Drawing from a significant variety of expert resources, CHCA defines bullying as a written, verbal, electronic or physical act that is intentional, repeated, pervasive, malicious, sufficiently severe, and targeted toward another student which causes mental or physical harm. While other negative behaviors will continue to be corrected with appropriate discipline, not all such behavior shall be considered “bullying” unless it is consistent with this definition.
